

Aegis™ Thunderbolt™ 4 Docking Station

Maximize Connectivity and Efficiency

Top Tier Performance.

Whether working from home, in a high-paced office environment, or a hybrid of the two, the Aegis Thunderbolt 4 docking station delivers the power, speed, and reliability needed to keep multiple devices connected.

Hot-Desking / Hoteling.

Maximize office workspace for today's hybrid workforce. The Aegis Thunderbolt 4 Docking Station is the perfect fixture for hot-desking, where hybrid employees working onsite can immediately connect at any available workstation as permanent deskspaces are no longer individually assigned.

Plug-and-Play.

With support for the latest Thunderbolt 4 technology, a single Thunderbolt 4 cable simultaneously delivers instant connectivity and power to any device running Windows® 10 or later, or MacOS® 11 or later via Thunderbolt 3, 4, USB-C, and USB-4 connection ports.

Port Overview.

Features 11 ports total, including three Thunderbolt 4 (40Gbps), three USB-A 10Gb, one USB-A (supports BC1.2), one SD 4.0 card reader, one Ethernet port (up to 2.5Gbps), one HDMI 2.1 port, and one Realtek™ 4-position HD audio / mic combo jack.

Power and Security.

Quickly charge laptops, tablets, and phones with 96W power delivery.

Connect up to two 4k monitors or a single 8k monitor.

Keep the Aegis Docking Station where it belongs with two Kensington™ Security cable lock slots.

Aegis™ Thunderbolt™ 4 Docking Station

Powerfully expand your workstation to connect multiple monitors, storage devices, peripherals, and audio with the speed of Thunderbolt 4. Fully compatible with USB type A, USB type-C, USB-4, Thunderbolt 3 and 4 (Windows® 10 or later; MacOS® 11 or later.)
